

BHS Passport Change of Ownership Form

The BHS is only able to make changes to passports originally issued by the Society. We cannot process any passport issued by another organisation.

The cost of transferring ownership is £15 (or £12 for registered equine charities). Please enclose your BHS passport with the completed form, along with any proof of purchase you have (a copy is acceptable). **We are unable to transfer ownership to children under the age of 16;** ownership must be in the parent or guardian's name. If the horse is jointly owned, we require all owners' signatures to be on this form, and the date of birth of all owners must be present.

A passport is not legal proof of ownership of an equine. By signing this document, you confirm that you have lawfully obtained the animal.

The British Horse Society will not take responsibility for ownership disputes. In the event of an ownership dispute regarding an animal passported by the BHS, you must notify the BHS immediately so that we can flag the animal on our system to prevent any attempts to update the passport until the dispute is resolved with all parties.
