List 1 judges have higher qualifications than list 2 judges. For official qualifiers, judges must be selected from list 1. Please note that the judges are now listed in area order. Under each area you will find the STYLE JUMPING judges and the riding test judges. This should make it easier for you to find the required judge.

Please note that Judges are required to attend a refresher assessment day once every 2 years. Any Judges not meeting this criteria will be deleted from the panel until a refresher has been completed.
