Rachael Hollely-Thompson
BRC Competitions Manager

These Cross-Country and Show Jumping training days are aimed at the true grassroots BRC member, who has never taken part in a BRC qualifier with a cross-country element or is a participating member of BE. The emphasis of the sessions, will be correct cross-country riding, how to negotiate the terrain, riding up and down hills and into water, tackling small steps and ditches, with fences at a maximum height of 75cms. Each session will last approximately one hour. Visit the BRC website Training page to see all the dates and find your nearest venue and to download a Booking Form.

Venues have been selected throughout the UK and the training sessions will be taking place over the next few months. Entries must be made on the official Booking Form and riders will be selected on a first come first served basis. The Booking Form must be returned to the BRC address as shown below, along with a cheque (cheques will be returned to unsuccessful applicants).
