Working Hunter Series 2015

Application to Hold a Qualifier

Final: Blair Castle International Horse Trials 2015

The course: At least 8 and not more than 12 fences, with changes of direction, must be set in a ring large enough to permit jumping fluently at a fair hunting pace. Fences should be rustic or as natural as possible, not easily dislodged, of solid appearance, well filled and with shrubs as wings. Maximum height 3ft 6ins (1.05m), maximum spread 3ft 9ins (1.12m), except open ditch and water. The course should be set at, or near, maximum unless the judge considers that the ground makes this unsafe. Normally at least one upright and one spread must be at maximum.

As this is a qualifier for a national final, the course should be set at, or near, maximum unless the judge considers that the ground makes this unsafe. Normally at least one upright and one spread must be at maximum.

Qualification: The first **three** qualify for the final, even if they did not jump clear. If one of the first three has already qualified the qualifying card can be passed down to fourth place provided the fourth placed rider jumped clear.

Judging: where possible judges should be drawn from the Sports Horse Society of Great Britain judges list. If you are having difficulty you can use a respected, time-served judge from BRC, BHS or PC, but this must be cleared with the BHS Office via sophie.arnold@bhs.org.uk.

We have a large number of shows applying to hold qualifiers. If we don't hear from you by 30 November 2014 to confirm your intention to hold a qualifier we may not be able to give you a qualifier next year. Even if you don't have all your show details, please return the form to us by this date to confirm you would like to hold a qualifier so we can allocate one to your show.
