

# The British Horse Society Stage 4 Senior Coach (BHSII) Development Scholarship – Guidance Document

---

## Introduction

---

As the largest provider of equestrian education and qualifications in the UK, we believe it is our duty to ensure we reach and inspire those individuals who will truly make a difference to the future of our sector. As we raise the standards of our Approved Centres, it is vital we support their needs by developing a workforce that delivers quality and leadership. We know our Centres often find it difficult to recruit for certain roles due to the lack of high calibre candidates in the employment market. Our experience has shown us that to reach the level of qualification necessary to aspire to a constructive equestrian career can cost a considerable amount, which can often be a stumbling block for many talented individuals.

## Objective

---

One of the BHS's charitable objectives is to promote and advance the education, training and safety of the public in all matters relating to the horse. The scholarship scheme will play a pivotal role in driving forward this objective through our Approved Centres. Through the scholarships we will:

- Ensure the leading equestrian educational provider is supplying our sector with well qualified and inspirational people
- Provide support to talented, driven individuals enabling them to have a meaningful equestrian career
- Work, support and enhance BHS Approved Centres
- Endorse and promote BHS training and assessments and encourage lifelong learning
- To celebrate the legacy of Margot Tiffany BHS PCCH (I).

## Structure of Funds

---

### Stage 4 Senior Coach Scholarship

The fund is aimed at providing support for those working towards their Stage 4 Senior Coach in Complete Horsemanship Qualification (BHS SCCH), BHS Senior Coach (Dressage Rider) and BHS Senior Coach (Jump Rider) previously the BHSII. This scholarship is targeted at promising individuals who, for whatever reason, are struggling to progress up the BHS educational ladder to gain the Senior Coach qualification. We hope that by supporting these talented individuals with this Scholarship, the BHS will further strengthen the equestrian industry by creating additional qualified individuals with a valuable, industry-recognised qualification.

### BHS Senior Coach Scholarship

On average, it costs a student between £3000 and £4000 to progress from BHS Stage 3 Coach to BHS Stage 4 Senior Coach.

Students wishing to apply for this scholarship must be 19 years or over and have already achieved their BHS Stage 3 Coach Award (BHSAI) and be a BHS Accredited Professional Coach.

Each candidate will be eligible to apply for the following:

- Training amount – up to **£3,400**

- Cost of Stage 4 Assessment when booked in full (any retakes will be at the cost of the candidate) – up to **£295**
- Cost of Stage 4 Teach (ITT) Assessment when booked in full (any retakes will be at the cost of the candidate) – up to **£295**

### **Maximum scholarship on offer - £3990**

The scholarship will be adjusted to cover the exact cost of the assessment fees at the time the candidate takes the assessment.

We are honoured to have received a wonderful legacy in Margot Tiffany's name. This has been created by many donations in her memory. Together with our own fundraising efforts, in its first year we have supported six individuals with over £11,000 of funding to help them progress and gain their BHS Stage 4 Coach Award.

We will have two application windows, one in the spring and one in the autumn. All applications for the Autumn window must be received by **Friday 27 October 2017**.

A selection panel of BHS Centre Proprietors, staff members and leading relevant industry experts will review all applications and the top applications for each period will be awarded a scholarship.

### Applying for Scholarship

---

Any individual wishing to apply for the scholarship must have a connection with a BHS Approved Centre, British Riding Club or BHS Regional Committee. The individual will need to show they work **20 hours a month** at BHS Approved Centre, with a BRC or BHS Regional Committee to be eligible for the scholarship. In extenuating circumstances, the candidate may be able to demonstrate a commitment to the BHS through teaching at BHS or BRC organised training events and camps, in place of **some** of the required 20 -hour per month commitment to an Approved Centre. Evidence must be provided in these cases, with letters of recommendation.

The application form must be completed and submitted by the applicant and include the following:

- List of qualifications to date
- Details of any previous funding received
- What qualities would make them a good applicant
- Details of equestrian experience, including work and competition and coaching experience
- In-depth training programme
- Timeline of activity, detailing how and where the training will take place
- Name of Mentor (Letter of recommendation will be required)
- Full breakdown of scholarship requesting

In addition, please provide a detailed Curriculum Vitae which includes any assessments and work experience as well as a supporting reference from the BHS Approved Centre that you are connected to.

The centre and the candidate are encouraged to contribute towards the cost of the training, however where the appropriate rationale is provided a full scholarship will be considered.

### Approved Centre Criteria

---

- Scholarship only to be used on BHS qualifications and training for the qualification
- Approved Centre must nominate and support the applicant through the application and training process
- Approved Centre must complete the letter of recommendation on the application form
