

Making Team Entries

All team members must have a current club membership and competition pass for the horse they are competing, to be entered into the competition.

1. Login to Sport:80 account, ensure to switch into the club account.

(Tip: have a separate webpage tab open, with the clubs invites page on, so you can easily switch between tabs to confirm invite details, rather than going back each time.)

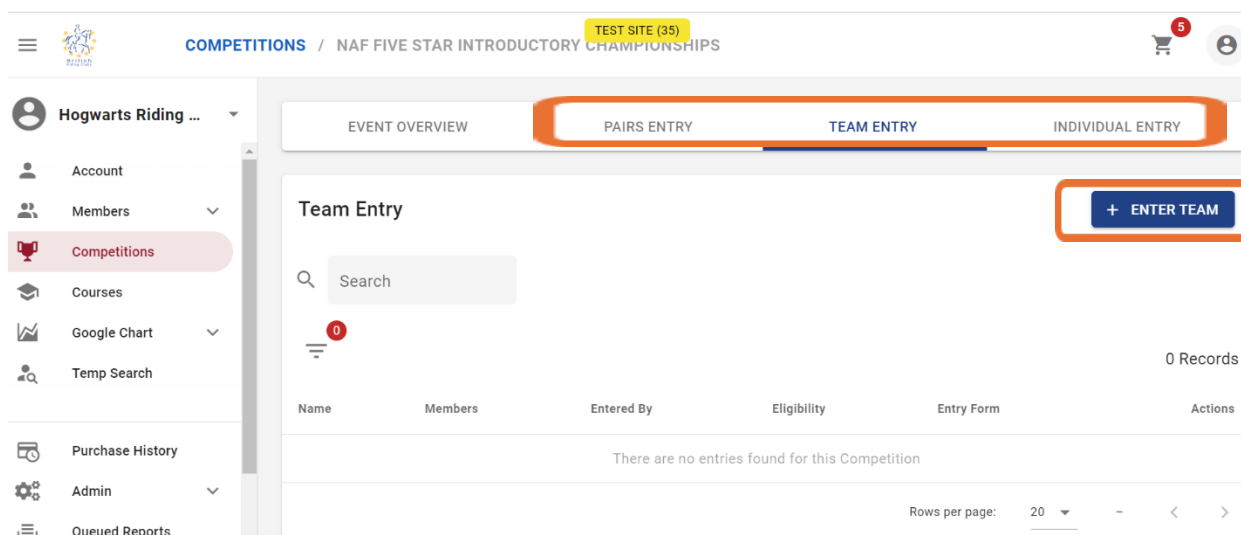

2. Select '**Competitions**' from the left side list pictured below:

3. Select the blue button '**ENTER NOW**' for the relevant Championships. If the club have already started creating entries, the '**ENTER NOW**' button will update to an orange '**Manage Entries**' button

Manage Entries

The below screen will appear. Please note the entry type tabs along the top:

4. Click on the blue '**Enter Team**' button , pictured above.
5. Any pre-existing team names will then appear as an option to reuse; these can be selected with the blue '**+ ENTER**' button next to the team's name. This is the team's name only and details will still need to be added after selection. (Pictured below)

If you cannot find the team in your list of teams click 'Enter New Team' button.

15. If under **'Entry Form'** has an orange **'Incomplete'** status, click on this, and choose the class the team is invited to. This will be followed by a disclaimer form, please read this carefully and then tick the **'Yes'** box and **'Done'** or **'Done & Add Another'** to continue.

The entry will now either show as complete, or unpaid as applicable.

16. If **'Done'** is selected, a pop-up will appear asking if you want to make payment at this point. Selecting **'Checkout Later'** will take you back to the entry, which will remain as **'Unpaid'** status, until checkout is completed. To pay later, go to the basket at the top right of the page.

17. Unpaid entry fees will sit in the accounts basket ready for payment. Payment can be made after all the entries have been added, including from other Championships. They do not need to be paid for or completed in the same session. Once the entry is added it will remain in place unless it is deleted.
If another member of the committee is making payment they may need to click through the entries to re-add them to the basket.
18. The **'Entry Form'** status will show either in green as **'Complete'** or orange **'Payment Pending'** depending on the payment method. Either of these is confirmation that your entry has been successfully completed.
19. The entry can be edited or deleted up until the entry has been paid for and only up until the close of entries for the championship. To make edits, click on the 3 dots to the right side of the entry line under **'Actions'**.

Once the entry has been paid, it is then completed. After this any editing to the entry will need to be made through head office. Any changes should be submitted via email and by completing the relevant changes form to brcentries@bhs.org.uk

Reserve forms can be found on the Sport80 in the competition section or resources, and also on the British Riding Clubs website downloads page.
