

Your Personal Information

The Personal Data you provide will be used to manage your BRC membership and any related activities that you tell us you wish to take part in. We may need to share some information with event organisers, our insurance partners, mailing houses or other appropriate partners in order to do that.

If you take part in BRC competitions, we will use your name and your horse's name to create and publish competition times and results. This information will generally be in the public domain – on our website, in Rider magazine and sometimes on Social Media.

We will keep in touch by post and email to let you know about news and upcoming events. You can update your contact preferences with us at any time, but please understand that we may still need to contact in relation to some administrative activities, even if you opt-out of all communication channels.

You can update your contact preferences at any time by emailing BRCmembership@bhs.org.uk

For more information about how we use your personal information, and to find out how you can access your rights in relation to data protection, please contact dataprotection@bhs.org.uk or see our full privacy notice [here](#).
