

Centre Guidance- Stage 3 Coaching (4 Candidates)

Stage 3 Coaching is aimed at the individual who has coaching skills and would like to make a career out of coaching.

BHS Stage 3 Coaching

The maximum number of complete candidates is four; two in the morning and two in the afternoon. Two candidates will be working with one assessor; however centres should be aware that there may be more candidates attending, completing re-sits; so please ensure you have adequate parking to accommodate this. For an assessment of this size, we will normally send one assessor. If anybody else will be attending e.g. Internal Quality Assurer and observer we will let you know in writing two weeks before the assessment day, once the assessment is closed for bookings.

What we need from you:

1. A single point of contact who takes responsibility for the organisation of all assessment days. This person needs to be available to discuss requirements with the Education Team and the Lead Assessor prior to and during the assessment days. A direct contact number should also be available in an emergency, i.e. in the event of any unforeseen circumstances on or just before the day.
2. We need a person in the yard responsible for ensuring all horses and equipment are ready on time (according to the programme) for the smooth running of the day. This person needs to be available all day during the assessments, should the assessors or candidates have any questions or queries.
3. A warm room with table and seats where assessors can meet and confer in private.
4. A warm waiting room for candidates with adequate seating and pens to fill in the emergency form.
5. Appropriate signage for candidates to find the centre, facilities (incl. toilets), waiting/briefing room. Signs hung stating 'Assessment in progress.' Please note no spectators are permitted. Please do make candidates feel 'at home' as they may be nervous.
6. In the interest of the candidates, no photography or filming of any section of an assessment is permitted (Excluding CCTV for security or insurance purposes).
7. Seating facilities for assessors and/or candidates in all phases, as they may be needed.
8. It is desirable that a list of horses used for each riding section and what they have previously done available to the Lead Assessor on the day of assessment.
9. Suitable light refreshments throughout the day and lunch for assessors. Assessors may request lunch but this is chargeable to them directly if provided.
10. A First Aid kit. Where the riding is not in very close proximity to the yard a First Aid kit must be taken to the riding area. A means of communication needs to be supplied (mobile phone or two-way radio).

11. A safeguarding representative to be available on site throughout the assessment. This person must be available to introduce to candidates during the briefing.

12. All horses used in BHS assessments should be clean and well-presented.

To see our assessment criteria please refer to the website.

Safeguarding and Health & Safety

Please note the minimum age for this assessment is 18 years old.

The Society follows strict Safeguarding policies which protects children under 18 years and adults at risk. Sign out sheets and emergency contact details will be kept with the Assessors.

Assessment Day

The assessment day is split into two Coaching sections (dressage lesson and arena event lesson). The programme allows the same horses (where appropriate) to be used for multiple lessons (maximum two sessions). The assessment day should be carried out like a normal working day, so candidates will be carrying out tasks in the relevant environment. A sample timetable for a Stage 3 Coaching assessment of this size can be found on the following page.

Volunteer riders

If volunteer riders will be taking part in coaching sessions on their own horses, it is the responsibility of the centre to ensure that they are covered by public liability insurance at least up to the level of the centre's own policy.

What to expect from us before the assessment

Once the assessment days have been confirmed with you and candidate bookings have been made, the Education Team will email a programme of the day to you, between two to three weeks prior to the assessment date (when candidate bookings close).

What will be included in the email:

- Programme
 - Candidate names (including heights and weights)
 - Assessor names and Lead Assessor contact details
- The Lead Assessor will be in touch regarding the assessment, to help answer questions and liaise with the organising of the day. If you have not heard from them please contact either the Lead Assessor directly or contact the Education team at your earliest convenience. If you have any concerns or amendments you would like making to the programme please discuss this with the Lead Assessor in the first instance.
 - The Lead Assessor may contact you regarding a reasonable adjustment if it requires centre input, if you have any queries please make direct contact with your Lead Assessor.

Skills Records can be purchased from the BHS shop or downloaded from the website and printed out. This must be signed off by a BHS Accredited Professional who holds a qualification at the level above before the candidate takes their assessment.

Please ensure the black bibs provided with the signed contract are ready for when the Lead Assessor arrives so the bib names and numbers can be inserted during the briefing. Should you need more candidate bibs, please contact the Education team.

The Lead Assessor will also carry out a risk assessment of the yard, so please be on hand to help provide any information (e.g. first aid kit location).

If you need any further help to interpret the programme or have any questions about the upcoming assessment, please contact the Education team and we will be happy to help resolve any queries.
