14. If 'Done' is selected, a pop-up will appear asking if you want to make payment at this point.

Selecting 'Checkout Later' will take you back to the entry, which will remain as 'Unpaid' status, until checkout is completed. To pay later, go to the basket at the top right of the page.

15. Entries with completed details but are unpaid will sit in the accounts basket ready for payment. Payment can be made after all the entries have been added, including from other championships. They do not need to be paid for or completed in the same session. Once the entry is added it will remain in place unless it is deleted.

If the entries are not in the basket, you may need to go back through each one to confirm and add, all the previous details will still be saved.

- 16. To view the entries that have been made at any time, click anywhere along the entry line after their name.
- 17. Any entry can be edited or deleted up until the entry has been paid for and before entries for the championship have closed. To do this click on the 3 dots to the right side of the entry line under 'Actions'. See below:
