

BHS Passport Update Form

Microchip Addition or Castration

This form must be used to notify the BHS that an equine passported by the society has been castrated, or a microchip has been inserted into the equine, to update the passport with this information. The Central Equine Database will automatically be updated by the PIO upon receipt of this form. **The form must be completed, signed and stamped by an accredited Veterinary Surgeon, and submitted to The BHS registered office address with the passport. The BHS will complete the required changes within 15 working days and return the passport by 2nd Class Signed For™.**

There is no charge for this service.

If you would like to fast track this application for the cost of £25 to ensure that the passport is updated and returned via 1st Class Signed For™ within 1 working day, please tick here:

I enclose my cheque/postal order: / Please call me to take card payment over via telephone:
