

## Your BHS Volunteers E-News

**Say cheese!**

We're refreshing your photo mosaic that celebrates you – our wonderful volunteers! Some of you may remember this original mosaic, created back in 2022, which is always a draw when on display in our show stands and out and about. It's time for a refresh to include our new and current volunteers.

We'd like photos of you either with a horse, carrying out your volunteer role or you can get creative and pose with something like a statue, toy horse or a white horse on a hillside if you want! Just aim for something horsey or volunteering-themed. Upload your photo below.

## Learn something new!

Have you tried our e-learning system, BHS Wise? It's now available to everyone, just use your usual volunteer email address and password to login. It's a new system, so we'll be adding new courses, topics and horsey webinars on a regular basis. If you have any ideas for topics that you'd like to see covered, we'd love to hear them [volunteer@bhs.org.uk](mailto:volunteer@bhs.org.uk).

The ever-popular GDPR and what it means for you as a BHS volunteer, returns for 2025. Kate (our data protection lead) will explain the rules of GDPR and how this affects your volunteering. You'll learn tips to keep your own personal data safe and what you need to consider when using other people's personal and contact information (including email addresses and photographs). The session includes plenty of time to ask Kate your questions. If you haven't attended this session before (or would like a refresher) it's recommended that you attend.

## Horse i app

We all want to see an end to incidents involving horses and riders. The BHS Safety team lead our work by engaging with other stakeholders, educating road users and lobbying for change. One way they can do that is by having information on the numbers and types of incidents involving horses.

The [Horse i app](#) allows anyone who experiences or witnesses an incident to easily record it then and there. The Safety team have produced information cards about the app with a QR code to download it.

Can you help by passing these cards on to friends, family, colleagues or at meetings you attend to help drive up downloads? Please fill in this quick form and we'll post the cards to you. Please only order what you think you can use – you can always order more if you run out.
