

# DS5b – Safeguarding in BHS Volunteer Committees – Scotland

May 2019 – Version 1  
2019 © The British Horse Society. All rights reserved.

This guidance document is for Volunteer Committee's to use to check they have adequate safeguarding provision within their committee. This is generic guidance based on what we send out to our coaches, centres and clubs, but if you have any specific questions then please don't hesitate to get in touch. More advice is available at <http://www.bhs.org.uk/safeguarding-resources>

The BHS believes the protection of children, young people and adults while participating in any sport is of the highest importance as they should be able to take part in a fun, safe environment and be protected from harm.

## What does this mean for my Committee?

1. Committee's will need to read, understand and implement the BHS Safeguarding policy.
2. You may need to recruit a Committee Safeguarding Officer (CSO) but only if your committee regularly has contact with under 18's or organises events with under 18's. CSOs will need to:
  - Have a clear role description
  - Complete the BEF Safeguarding workshop or Sports Coach UK course
  - Complete a Criminal Record Check
  - Produce a welfare plan for events

## Important to remember

The role volunteers and of the CSO is not to decide whether child abuse has taken place or to investigate the complaint. The role is to accurately record the details and report it to the British Horse Society and if necessary Children's Social Care or the Police.

## Safeguarding Children – Good Practice

The following guidance documents have been designed to support committee's to safeguard children and to protect and advise the committee. They are available on our Safeguarding page on the BHS website - please see the link above.

## Physical contact

It's good practice to explain to riders and their parents about any physical contact that may occur as a part of them learning to ride or improving and furthering their skills.

For further guidance on issues such as 'What can I do if a child is distressed?' 'What can I do if a child I teach has done well?' check out our guidance on our safeguarding page listed above.

## E-safety

Many members, volunteers and instructors already use sites such as Facebook, Twitter and Instagram. It is essential that you keep both your committee and young people safe online and, as an adult, you have a key role to play in actively promoting safety measures. We have produced guidance for all organisations, coaches and young people on how to stay safe online.

## Running an event/attending team events

Running or attending an event with young people can already seem quite onerous. In order to make sure those in your care are safe the following principles should be adhered to:

- Children and young people should be supervised by their parents or guardians at all times. Your committee should not be involved in a situation where parents have made private arrangements with other parents regarding the supervision of their children whilst at an event. There may be exceptions where junior teams are taken to events and in this instance parental consent forms should always be completed. Templates are available.
- Overnight stays require special consideration regarding the legislation around criminal record checks and overnight supervision; please see our checklist for further information.

To help committee's consider what they will need to implement the Safeguarding Officer should write a welfare plan for each major event including children and young people. A template is available.

## Codes of conduct

It is important in a committee that all individuals know what their responsibilities are. Codes of conduct will raise awareness of certain issues such as behaviour of young people and their parent/guardians. There are a variety of codes of conduct available on our website.

## Photography and images

British Horse Society guidance states:

- No rider should be photographed or videoed without consent\*
- No pictures and video should be shared, used for marketing purposes or posted online without consent  
(\*parent and guardian consent if under 18)

## One to one situations

One to one situations may occur but a committee will need to consider reducing the risk and protecting those involved.

For example young people writing for judges – this situation should be avoided unless another adult can be present or the judge is in earshot and eye sight of other officials.

## What to do if you are worried about a child

- If there are concerns that a child may be subject to harm these concerns must be noted and referred to the Safeguarding Officer or BHS Safeguarding Team immediately.
- If there is an immediate concern a referral must be made to the Local Social Care Services or Police (preferably Police Child Protection Unit). The BHS Safeguarding Team must be informed of the case as soon as is possible and practicable.

## What to do if there is an allegation against your committee

If there is a concern regarding inappropriate behaviour or possible abuse you must report this to your Safeguarding Officer or chairperson even if it may not become an allegation. Depending on the nature of the concern you may need to inform Local Social Care Services or the Police immediately. The BHS Safeguarding Team must be informed of the case as soon as is possible and practicable.

## Spectators

Spectators are subject to the Rules of the sport. They can be cautioned, reported or sent away from the competition if the Code of Conduct is breached.

## **Criminal Record Checks**

Criminal Record Checks may be required by law for volunteers or coaches if they are teaching, training or supervising children on a regular basis and are in regulated work. This is known as a 'Protection of Vulnerable Groups' or 'PVG' check.

### **Do your Committee's volunteers need a PVG Check?**

If the committee is predominately for adults with a few under 18 years olds attending on the odd occasion this is called 'incidental contact with children' and for this you probably do not need a PVG check. If the committee caters for children and adults and you teach train and supervise under 18 year olds you may require a PVG check.

### **Basic Criminal Record Checks**

Basic checks can be used for any job role you may have which does not meet the criteria for a PVG check and can be used for any purpose. This check will contain details of convictions and conditional cautions. The cost of the check is £25.

- If you're living or working in England or Wales the Disclosure & Barring Service provides this service. You can apply directly through DBS using their online application route. As part of your application you'll need to prove your identity through GOV.UK Verify
- If you live or work in Scotland, you should apply to Disclosure Scotland.
- If you live or work in Northern Ireland, you should apply to AccessNI.

### **Sources of Additional Information:**

<http://www.bhs.org.uk/our-charity/about-us-and-our-work/working-with-the-law/criminal-record-checks/scotland>

### **Other Employment and recruiting volunteers information**

Best practice would include but not limited to:

#### **Pre-employment**

- Referencing, both personal and professional – preferably including the applicants suitability to work with children
- Interviewing applicants.
- Completing self-declaration forms – to ensure that each applicant is aware they must notify you of any possible future convictions, reprimands or warnings specifically but not limited to their suitability to work with children (template available)
- Make job/volunteer applicants aware that they may be required to obtain a criminal record check certificate for the role which they are applying

#### **During employment/recruiting volunteers**

- Codes of conduct for employees/volunteers to sign – you may like to include guidance around social media use especially with junior members.
