Dress & Tack code

Smart dress is required, although Christmas outfits and tinsel/decoration are encouraged. This must not impede the horse's way of going or compromise the horse's welfare. Horses may wear boots/ bandages and any bit is permitted. Bitless bridles are only permitted in the specified bitless bridle classes.

Results

The top 3 tests in each section will be streamed via the BRC Facebook page from Saturday 16 & Sunday 17 December (TBC). Once each section has been aired, the results for that section will be released. Please note that for teams, the results will not be released until all the relevant sections are complete.

Choice of Test for Teams

A team can choose which tests they all do, for example, one team may enter all riders riding a novice test, one may enter all riders riding elementary, and another may enter a team with one rider at each test level. Team scores will be calculated using the percentage from each test added together. All four scores to count. Anyone entered as a team is automatically counted as an individual for that test. Where there is more than one section in an individual class, an overall winner will be picked by averaging the scores of all arenas and working out the highest score – this is in addition to the arena placings.

Rosettes and Prizes

Rosettes will be awarded to the top 10 teams and individuals in each section. The highest placed junior in each section will also be awarded a rosette.

There will also be a prize for the best fancy dress or decoration, **please ensure any decorations used do not impede the horse's way of going.**

Prizes will be awarded in kind.
