

Additional awards

Additional awards are given at the NAF Five Star National Horse Trials Championships and are as follows:

- **Alexa King** - A trophy will be awarded in memory of Alexa King to the highest placed individual in the Senior 90 class who is under 25 years old. Please see the link below for a form.
- **Carefree Trophy** - The Carefree Memorial Trophy will be presented to the most successful combination in the 100+ section, where the horse is either ridden or owned by the breeder. The trophy has been donated by Linda Rose to commemorate her brood mare who unfortunately passed away after a quite extraordinary life of only seven short years.
- **Club award** - Awarded to the highest placed horse/rider combination in each class who has not been registered together or separately with British Eventing, in the five previous years.
- **Trequite award** – Awarded to the highest placed rider/horse combination in the 100cm class who has not been registered together or separately with British Eventing, in the five previous years.
- **Call Me Finn** - A trophy will be awarded in memory of Call Me Finn to the highest placed veteran horse (15 years +) in the Senior 90 class. Please see the link below for a form.

All of the above are additional to championship classes and so therefore do not require any qualification or additional fees, competitors just have to meet the class eligibility criteria. Please fill in the forms found on the National Horse Trials Championships page of the website and email them to brcentries@bhs.org.uk or post them to BHS HQ with the entries.
