

# Don't miss this unique opportunity to improve your riding!

Meet Tigger, a life sized equine simulator, situated in the comfort of LRAC Kenwick Park training room. Tigger will help you learn in three gaits – walk, trot and canter.

Tigger is fully interactive and responds to leg, seat and rein aids. Tigger will help transform your riding and fitness. Tigger has advanced sensors and state of the art features making the experience suitable for all ages and abilities. You will be in the safe hands of highly qualified instructor Liz who has a wealth of knowledge and expertise. Tigger belongs to the local Riding for the Disabled Association and so is not readily available to the general public. Limited spaces available of 15 minute tasters and multiples thereof.

**Sat 15 Feb 2020 15 minute sessions from 10am Book NOW to avoid disappointment.**
