There are some permanent stables; these may be reserved on a first come first booked basis for any horses over 15.2hh. (likely to be booked in 2019). All other stables are temporary in nature, 10x10, like the sort of stables you will find at Equifest, HOYS etc, do not book unless your happy with these stables as no turnout is offered.

## **Camp Rules & Disclaimer**

### **Lessons**

As this is an adult camp tack inspections will not be made at the beginning of each lesson, we ask before you come to camp that you check all tack for signs of wear and tear and make sure it's clean and well fitting. Should you have any concerns about your tack or fitting please speak to your instructor at the start of your assessment lesson.

Please make sure you're at the place of lesson just before the start time and are mounted and working in so the instructor can start each lesson promptly. Please make sure you pass left to left. Please only walk on the XC course until the instructor is present.

### **Stables and Forest Edge equipment**

You are responsible for any damage to the stables or equipment provide by Forest Edge, any damage, i.e. 'holes in stables walls' will need to be paid for by the camper directly to Forest Edge, The British Horse Society accepts no responsibility for any damage your horse may do.

### **Hacking**

If you plan on hacking please bring a Hi-Viz tabard/jacket. You will be issued with a tags, for your saddle/horse, this will have the centre land line and my mobile number, please make sure you have this on when you hack.

### **Camp Disclaimer**

The BHS, Instructors and venue have taken reasonable precautions to ensure the health and safety of everyone present. For these measures to be affective, everyone must take reasonable precautions to avoid and prevent accidents themselves. Neither the organisers The British Horse Society or venue accept responsibility for any accident, injury, loss or illness to horse, rider, spectators or property while present at this event.

### **Guests**

Due to security and heath and safety, guests are only welcome to visit you at camp after 1pm on the Friday, so they can watch you during the competition.

### **Loading**

The camp closes at 4pm on the Friday, both the instructors and I are keen at this time to return home to our families; therefore we are unable to help load difficult loaders. If you have a horse that can be tricky to load please arrange for a friend to turn up and help you load at the end of camp.

**Booking Terms and conditions**

**Refund of Deposit before the balance is paid**

A refund of the £60 deposit is *only* given on production of a vet's/Dr's certificate stating the horse/you will not be fit for work on the 1<sup>st</sup> of June; no refunds of deposit are given for change of mind or circumstances.

**Refund of Total**

Between the 1<sup>st</sup> April & 31<sup>st</sup> May the following will apply:

A full refund will be given on production of a vet's or Dr's certificate stating the horse/you is not fit or likely to be fit for work in June.

All other circumstances between the 1<sup>st</sup> April & 31<sup>st</sup> May

The balance (*less the deposit*) will be refunded if I can fill your place, I normally have a waiting list and have been always able to fill the spaces available, however the more notice the easier this is. This will only happen if camp is full.

**After the 1<sup>st</sup> June.**

**No refunds** can automatically be given no matter what the circumstances, Vet's/Dr certificate or otherwise. The venue and Instructors have been booked & confirmed.

However I will try to fill your space, again the later the cancelation the harder this is, it's also harder if I am away from my office at an earlier camp.

As with all holidays it's advisable to get insurance, then should you need to cancel, this would cover your holiday cost.

I agree to the terms and conditions and set out above, & I have read all the information on the BHS Camp and I can confirm I am a current BHS gold member.
