SUPPORTING YOU THROUGH EVERY STAGE

Jo Winfield FBHS will be presenting a mixture of theory and practical topics for the day

This training day is open for anyone to attend and would be of particular interest to candidates who are booked in to take the assessment, those who instruct students who are training towards the BHS Stage 4 and 5 Care and Management and individuals who are looking to take these qualifications in the future.

The day will give everyone attending the opportunity to see what is involved with the assessments and to ask questions throughout.

Elements of the requirements will be reconstructed and the presenter will explain what an assessor is looking for and will highlight examples of good practice.

This will be an interactive day with plenty of opportunity for attendees to ask questions and gain clarification on any aspect of the assessments that they are unsure about.

Please note that this day will ONLY cover the Care and Management Units of the Stage 4 and 5 qualifications and NONE of the Riding elements.

Further information on the BHS stage 4 and 5 qualifications can be found at <https://pathways.bhs.org.uk/career-pathways/complete-hoersmanship-overview/>
